NATIONAL SEMINAR ON PSU BANK MERGERS: A GAMBLER'S GIMMICK OR A SYNERGISTIC REVAMPING?

10TH JANUARY 2020

RESEARCH & POSTGRADUATE DEPARTMENT OF COMMERCE

IN ASSOCIATION WITH
MAHATMA GANDHI UNIVERSITY, KOTTAYAM

SPONSORED BY :

FEDERAL BANK
YOUR PERFECT BANKING PARTNER

INVITATION

Dear Sir/ Madam,

St. Dominic's College community cordially invite you to the one day National Seminar on "PSU Bank Mergers - A Gambler's Gimmick or A Synergistic Revamping?" on January 10, 2020. The broad objective of the seminar is to provide a creative platform for the exchange of innovative ideas, critical thinking, experience sharing and to explore areas of mutual benefit by people having interest on the theme of the seminar. As part of the revised syllabus and curriculum of Postgraduate programmes at Mahatma Gandhi University, students are required to make a presentation, preferably with the support of audiovisual aids, on the research topic selected for their dissertation. The seminar organized by the Department gives an opportunity for the postgraduate students to get acquainted with the research paper presentation too.

The seminar will be inaugurated by **Mr. Joy P V, Vice President & Zonal Head, Federal Bank**, at 10.00 am on 10th January 2020. We expect the active involvement of the academicians, students and research scholars from your esteemed institution through the participation and presentation of their research findings.

Thanking You,

Rev. Fr. Varghese Parintherickal (Manager)
Rev. Dr. James Philip (Principal)
Dr. Jojo George (Vice - Principal)
Prof. Anoop Tom Thomas (HOD & Convenor)
Prof. Joicey Jose (Co-ordinator)
Prof. Honey Thomas (Joint Co-ordinator)

About Us :

The Department of Commerce of St. Dominic's College came into existence in the year 1977 offering pre-degree Commerce group. In the year 1980 B.Com degree programme was started with a sanctioned strength of 55 students. The Department became a Post Graduate Department in the year 1985 and an approved Research Centre in Commerce under Mahatma Gandhi University on 19 June 1997. Having led by eminent personalities and great visionaries as Head of the Department, supported by dedicated and hardworking faculty members, Department of Commerce has always maintained the status of 'dream destination for Commerce aspirants'. Excellent academic track record with University ranks and 100% pass for UG and PG programmes, varied curricular and co-curricular activities focusing on the all-round development of the students, admirable job placements, add on courses for employability enhancement, training for competitive examinations, industrial linkages etc... makes the Department one among the best performing Commerce Departments under M G University.

Lms SNGSC <lms@sng

To: Kaladharan P.V.

Bcc: prathishmuttom@yahc

Thu, 23 Jun, 2022 at 12:17 pm

Dear Sir/ Madam,

Welcome to the Institutional level Moodle Training Programme of Kerala State Higher Education Council.

Let's Go Digital is a project recently launched by the Kerala State Higher Education Council to provide necessary training to faculty of Higher Education Institutions in the State to use Moodle as their Learning Management System (LMS). Happy to see that your Institution is becoming a member of the project. We Appreciate your interest in participating in the Training Programme planned to make the teachers confident in using Moodle as LMS.

The following are the requirements for you to attend the online training.

- 1. Desktop/Laptop with internet access.
 - 2. Meet application for joining the training.
 - 3. User account on the SNGS College Training Site.
- If you have any doubt, please feel free to contact Dr. Santhosh H.K., member of the core committee, in his email santhoshhk@sngscollege.org. The training is going to be hosted in the Training site of SNGS College, Pattambi.

Your user credentials to login to the course page is given below

Lms SNGSC

lms@sngscollege.org

5. Flood Relief Kit Distribution to 600 families in Gram Panchayaths affected by Floods & Landslides in Kottayam District, Kerala State on 28th, 29th, 30th October; 9th, 10th November 2021. Erumely Grama Panchayath (86 beneficiaries); Manimala Grama Panchayath (110 beneficiaries); Parathodu Grama panchayat (172 beneficiaries) Koottickal Gram Panchayath (198 beneficiaries); Mundakayam Grama Panchayath (34 beneficiaries).

HEDGE SCHOOL OF APPLIED ECONOMICS

Research and PG Department of Commerce and Hedge School of Applied Economics has signed an MOU to enhance the employability skills of students who like to pursue a career in the financial services industry.

MUSEOLOGY AND ARCHAEOLOGY KNOWLEDGE EXTENSION (MAKE)

Memorandum Of Understanding for academic collaboration in Museology and Archaeology Knowledge Extension (MAKE) between Assumption College (autonomous), Changanassery and St Dominic's College, Kanjirapally was made on the 4th day of September 2018 between Assumption College Changanassery and St Dominic's College Kanjirappally, with the aim of extending their resources and expertise and organize and conduct academic events jointly.

The activities under MAKE began with a seminar jointly organized by the two colleges and held at Assumption college Changanasery in which Dr Rajendran, UGC Scientist delivered the lecture. The topic was Archaeology and its scope in Kerala. During the COVID period, joint online sessions were conducted and eminent academicians delivered sessions online. A One Day Workshop of Curing Methods was organised by the students of both the colleges as Mannanam Archives the last academic year. This year, the joint academic activity was the One Day Exposure Trip for the students of both colleges to Ceriya Palli Kottayam, Thazhathangadi Juma Masjid and Orthodox Seminary Kottayam with the guidance and lecture delivered by experts in respective areas.

SREE

A Memorandum of Understanding for Academic Collaboration in Sharing Resources and Expertise for Excellence (SREE) was signed among the Departments of History in St Thomas College Palai, St Dominic's College Kanjirapally, St Thomas College Ranni, Alphonsa College Palai and Henry Baker College Melukavu on 19//11/2019. The Principals of the five colleges came together at St Thomas College Palai and signed the official documents for the same. Thereby, these five colleges extended their resources and expertise and organized and conducted four academic lectures on selected topics from syllabi in each of the five colleges every year after the signing of the MoU. A total of 20 invited expert lectures were thus organized and conducted by SREE each year.

In order to help the students to develop research attitude in the subject, one research methodology workshop was organized by SREE in the year 2021-22 and one in the year 2022-23. The first workshop was conducted in St Thomas College Palai and the second one was conducted in St Dominic's College Kanjirappally. The first one was attended by all third year B A History students and the Resource Persons were Dr Jojoy Thomas, St Dominic's College Kanjirappally, Dr Alphons George, Alphonsa College Pala and Dr Nisha Joseph, Henry Baker College Melukavu.

The second programme was attended by all the second year BA History students of the five colleges and the Resource Persons were Bino P Jose, St Dominic's College Kanjirappally, Dr Jojoy Thomas, St Dominic's College Kanjirappally, and Dr Deepa Roseline Joseph, St Thomas College, Ranni.

ABIC & MANI CHARTERED ACCOUNTANTS, KOTTAYAM

Research and PG Department of Commerce and Abic & Mani Chartered Accountants, Kottayam has signed an MOU on 10.06.2020 to provide training to students in the fields of tax, accounts and audit as well as to provide internships to students at their office. To lectures names “Recent developments in accounts, audit and taxation” and “IFRS and IAS A walk through” were conducted. 12 students of 2020-22 M.Com Batch underwent internship at the office of Abic & Mani CHartered Accountants, Kottayam from 18th April 2022 to 30th May 2022.

MARIAN COLLEGE, KUTTIKKANAM

An MOU was signed for library services between Marian College Kuttikkanam (Autonomous) and St. Dominic’s College Kanjirappally on 8th January 2020. Under the MOU various events are conducted to promote and strengthen the integral development of students and researchers. MoU mainly includes assistance in plagiarism checking and offers inter institutional certificate courses

SAM Precious Metals Dubai

In 2021, SAM Precious Metals Dubai, a prominent company in the metals industry, extended placement opportunities and support to the BSc Chemistry students of the Department of Chemistry at St. Dominic's College in Kanjirapally. SAM Precious Metals Dubai recognized the potential of BSc Chemistry students from St. Dominic's College and provided placement opportunities to four talented individuals. In addition to the placements offered in 2021, SAM Precious Metals Dubai has expressed its commitment to providing future placement opportunities to students from St.Dominic's College. This signifies the company's confidence in the capabilities of the BSc Chemistry students and highlights its dedication to

nurturing young talent in the industry. The assurance of future placements creates a positive outlook for upcoming batches of students, encouraging them to strive for excellence in their academic pursuits. The company has demonstrated its dedication to their professional growth by offering comprehensive training support both online and offline. This support system ensures that the students receive the necessary knowledge and skills required to excel in the precious metals industry. By providing a blend of online and offline training, the company caters to different learning preferences and enables students to access valuable resources and mentorship.

T.I.M.E

Research and PG Department of Commerce and T.I.M.E Pvt Ltd, Kottayam has signed an MOU on 15.12.2021 to provide career guidance sessions to students and prepare them to face competitive exams. Two programmes namely “Familiarising Competitive Exams and Career Opportunities after Graduation” were conducted as part of the MOU.

ST ALOYSIUS COLLEGE, EDATHUA

St. Aloysius College Edathua and St. Dominic’s College Kanjirapally signed an MOU on 28th July 2022 to promote the effective use of each of their library resources. With their assistance, DSpace digital library software was installed and implemented.

**Departments Mathematics of St Dominic's College Kanjirapally,SVR NSS
College Vazhoor and St Thomas College Pala**

A memorandum of understanding came into effect between the Post Graduate Mathematics Departments of St Dominic's College Kanjirapally, SVR NSS College Vazhoor and St Thomas College Pala on January 2021. It aims to organize regional seminars on the most relevant and emerging areas of Mathematics. The PG Mathematics students of the three colleges are supposed to be the participants. As part of the MoU, our department organized a one day Regional Seminar on 26th February 2022 with eminent mathematician Dr. G Indulal and the young researcher DrJasmineMathew who could present a paper in the ICM 2018 at Rio De Janeiro, Brazil. The PG Mathematics students of the three colleges participated.

G-TEC COMPUTER EDUCATION , KANJIRAPALLY

Research and PG Department of Commerce and G-Tec Computer Education Kanjirapally, Kottayam has signed an MOU on 23.06.2022 to provide training to students of the department. An interactive sessions named "Industry Interface 4.0" was conducted on 23.06.2022 at the college as part of the MOU.

ST MARY'S RUBBERS PVT LIMITED

MOU with ST MARY'S RUBBERS PVT LIMITED, Koovappally had signed in the year 2022 for three years of period. A group of nine students had done their internship in the year 2022 and a group of three students in the year 2023.

Collaboration Between Amaljyoti Engineering College and Department of Chemistry, St. Dominic's College Kanjirapally

This report highlights the collaborative partnership between Amaljyoti Engineering College and the Department of Chemistry at St. Dominic's College Kanjirapally. This collaboration has resulted in various activities such as testing research samples using sophisticated equipment, MSc projects of St. Dominic's College students at Amaljyoti. Department of Chemistry at St. Dominic's College, equipped with sophisticated research equipment, has provided valuable support to Amaljyoti Engineering College. The Researchers from Amaljyoti have been able to utilize the advanced facilities at St. Dominic's College to test their research samples. As part of the collaboration, MSc students from the Department of Chemistry at St. Dominic's College have been given the opportunity to undertake their MSc projects at Amaljyoti Engineering College. This provides them with access to cutting-edge facilities, exposure to interdisciplinary research environments, and the opportunity to work alongside experienced faculty members and researchers at Amaljyoti. This practical experience enhances their research skills and broadens their understanding of scientific concepts and methodologies.

List of Students who has done their Msc Project at AmalJyoti Engineering College Kanjirapally

SI No	Year	Name of Msc Students
1	2022	Krupa Maria Dominic Joice Theras Joy
2	2021	Naimy Chacko
Anju Nathew Nilu Siraj		
3	2019	Aparna Asok Aryamol KS
Divya Mohanan		
4	2018	Alphy Rejimon Princy PB
Riya Mathew		

DEPARTMENT OF CHEMISTRY AT AMRITA VISWAVIDYAPEEDAM

The collaboration between St. Dominic's College Kanjirappally and the Department of Chemistry at Amrita Viswavidyapeedam has been a fruitful and productive endeavor. Various activities have taken place as part of this collaboration. The collaboration between St. Dominic's College Kanjirappally and Amrita Viswavidyapeedam has proved to be highly beneficial in terms of scientific advancements, knowledge exchange and professional development. Through the testing of samples using advanced analytical techniques, the coguiding of a PhD scholar, organizing an international conference, and agreement to acknowledge each other as co-authors in research papers, the collaboration has strengthened ties and contributed to the advancement of scientific research in the field of chemistry. Further collaborations and joint initiatives are eagerly anticipated to continue the shared pursuit of scientific excellence and innovation.

AMAL JYOTHI ENGINEERING COLLEGE

One Day Workshop - Learning Tools for Digital Natives

The Department of Physics organized a one day workshop on Learning Tools for Digital Natives on 30th August 2022 at St. Dominic's College Kanjirappally in collaboration with the Department of Computer Applications, Amal Jyothi Engineering College sponsored by Kerala State Council for Science, Technology and Environment (KSCSTE). The workshop was specifically meant for local/regional students as well as teachers from Arts, Science and Engineering streams with a view to make the students gain in-depth knowledge in Educational Apps. out of 125 persons registered for the workshop, 58 participants were from the Department of Computer Applications, Amal Jyothi Engineering College, 9 students from M.Sc Chemistry, 8 students from M.Sc Botany, 43 students from

B.Sc physics and 7 faculty members of St. Dominic's College. The workshop was formally inaugurated by Dr. Seemon Thomas, Principal, Mr. Nelson Kuriakose, HOD Physics, presided over the meeting and Rev. Dr. Manoj Joseph, Bursar, felicitated the occasion. The workshop had altogether four sessions. all sessions were handled by Dr. K thiyagu.

BISHOP MOORE COLLEGE, MAVELIKKARA

Mou with the Department of Physics, St. Dominic's College Kanjirapally and Bishop Moore College Mavelikkara had signed in the year The following are the activities had done under this MoU

1. *Invited Talk : - A day for our earth's invisible guardian*

The department of Physics organizes an invited talk on " A day for our earth's invisible guardian " as a part of ozone day celebrations at St. Dominic's College Kanjirappally. The resource person for the talk was Dr. Merin George, Assistant Professor, Department of Physics, Bishop Moore College Mavelikkara. Dr. Merin delivered a very interesting lecture about the significance of ozone layer protection for the wellbeing of earth. Around 75 students from the Department of Physics attended the talk. Mr. Nelson Kuriakose, Head of the Department, welcomed the resource person and Dr. Jesby, faculty of the department introduced the profile of the resource person, Dr. Merin George. The programme came to a close at 12.45pm.

2. *Invited National Conference - NCETMS 2022*

Resource Person Dr. Lynnetta Joseph, Assistant Professor, Department of Physics, Bishop Moore College Mavelikkara delivered an invited lecture on the topic Molecular Structure property relationship studies on anticancer property of diuretic drugs.

CHERIAN MATHEW AND CO Chartered Accountants, Pala

Mou with the Department of Commerce, St. Dominic's College Kanjirappally and Cherian Mathew and Co. Chartered Account, Pala had signed in the year 2022 for one year period. A group of four students in the year 2022 and a group

of two students in the year of 2023 had done their internship.
