INTO THE LAP OF NATURE

Not all those who wander are lost. The final year students of the department along with Prof. Ancy Joseph and Prof. Juno Jose had an amazing trip to Mysuru, Coorg, and Udupi.

The leisure trip of three days was a de-stressing and energising experience. The journey through Bamboo forest, Inppu falls and Abbey falls, the coffee plantations, the Golden temple on the lap of Udupi, the St. Mary's Island and the ethnicity of Coorg made it an eventful and joyous trip. "The world's a book and those who fail to travel only reads one page" It was reported that the 3 day picnic was a memorable and a cherished one for the students and teachers alike.

RANK HOLDERS

Suman Sunny (1st rank)

Chinse George (6th rank)

PERSONALITY DEVELOPMENT TRAINING

An extremely informative class on personality development was taken by Prof. Ancy Joseph a certified NLP trainer and Personality development expert. Ma'am gave new insights into how to develop inter personal skills and the need chisel out the leader in everyone ; for the students of the department to instill confidence and to motivate the blooming buds.

FAREWELL Pater Familias

Prof. J.C.Kappan, fondly called as Kappen sir is the perfect combination of Commitment, Resourcefulness and Charisma. An acute thinker, a voracious reader, an empathetic human and above all, a teacher par excellence, he is more than happy to go that extra mile to bring out the best in his students. As we bid adieu to this legend, we place on record his countless and invaluable contributions to the making of the English department as we see it now. We owe our victory to this man with the Midas touch. As he embarks his journey to Newfoundland, we, the English family, wish him all success and happiness.

FEAST DAY CELEBRATIONS

The Department of English celebrated the Feast Day of the Principal Fr. James with much warmth and love. The Principal was invited to the department for the function and shared the happiness with sweets and cakes. "It was a gesture of care and concern", the Principal was quoted as saying and he extended his gratitude and love to the department.

MAGAZINE

Magazines for colleges especially for individual departments is a canvas for students to showcase the prowess and dexterity in their areas of interest. The English department of St. Dominics College Kanjirappally issued the manuscript magazine "360°" which comprises art, literature, heritage and variegated talent holding true to its "360°".

The magazine stands as a testimony to the myriad talents and unparalleled hard work of the literature students and was reported that it gained wide popularity within the whole campus.

PG Department of English

St. Dominc's College Kanjirapally

Date : 23.11.2021

A training in soft skills & career enrichment skills were conducted for the first year and second year students of Model 2 and Model 3 B. Com. The program was initiated in the academic year 2021-2022 and the first session was conducted on 23/11/2021. The sessions were led by Prof. J C Kappan of PG Department of English. A total of 179 students participated in this program. Initially students were introduced to remedial grammar and sessions for improving spoken English. Sessions for enhancing group dynamics and interpersonal skills were also conducted. Mock interviews, programs for developing interpersonal skills, improving body language, overcoming diffidence were some of the other programs to which students were introduced. These programs were aimed to equip the students with skills and expertise required in the job market in a globalized scenario.

The program helped to polish and groom the students to the ground of personality, knowledge, sociability, attitude and skills so as to prepare them for the written tests, and interviews. Moreover, it actively addressed the key human resource challenges faced by the world of academia and industry – and thereby helped bridge the divide that separates these two islands.

About the College

St. Dominic's College, founded in 1965, with the noble vision of making quality higher education accessible to the people of the eastern parts of Kottayam district as well as the high ranges of Idukki district, has been rendering invaluable service to generations of people cutting across caste, creed and economic and religious differences. The College aims at making its students live its motto- 'Absorb and Radiate'-absorb the light of knowledge and values and transmit what they imbibe, thereby expanding the frontiers of truth and wisdom. Currently the college offers one PhD, six PG and ten UG programmes. The college has been continuously maintaining a top position in the Mahatma Gandhi University in both curricular and co-curricular aspects.

About the workshop

Literature Searching and Reference Management are activities that need to be carried out in a scientific and structured manner in a research process. Referencing is a basis for academic writing. It is crucial to understand the importance of referencing and how to manage references in research using reference manager. Mendeley is free reference manager software, used as a database of large amount of citations from articles, books, encyclopedia entries etc. It can assist in managing references, research papers (PDFs), annotating PDFs, capturing searchable notes, citing while writing, automatically creating bibliographies, syncing account between multiple computers, collaborating, and discovering new research in the fields of interest. The main objective of this workshop is to assist you to form referencing, familiarize you with the working of Mendeley and enable you to manage Reference Management Software.

Target Participants

Faculty Members, Research Scholars
Library Professionals,
M Phil and PG Students in all disciplines.

Registration fee

About the Workshop

The role of technology is vital here as young students, having digital immigrants teach the young Generations needs a lot of effort, training, and resources to achieve that. Recognizing the need to adapt teaching styles in order to reach digital natives, with the expectation that these technologies would help to improve the students' academic performance and encourage them to participate and be engaged with the course.
