STUDENT FEEDBACK REPORT 2019-2020

Report of Feedback on Curriculum: 2019-20

1. Student Feedback

The Feedback survey on curriculum for 2019-20 is conducted in tune with the questionnaire prepared by IQAC. 455 students from across all the courses participated in the survey and marked their feedback. The feedbacks are tabulated and results were analyzed by the college. Proper follow up measures are initiated based on the survey. The survey used a five point scale to rate the performances and gave provision to add observations and suggestions for improvement. The feedback on performances under the following criteria was collected

- Quality and relevance of the courses as per syllabus
- Availability of the text and reference books
- Infrastructure and lab facilities for Curriculum delivery
- Improvement in soft skills through curriculum
- Use of Information and Communication Technology
- Quality and Effectiveness of teaching
- Examination system adopted by the college, evaluation and Feedback mechanism
- Curriculum related activities organized by the college /Department
- Overall academic environment in campus

The students put forward their responses and suggestion through the option provided for expressing them within the Google form. The abstract of the responses are given as a table below

ST. DOMINIC'S COLLEGE, KANJIRAPALLY

	Point	5	4	3	2	1
	% of response	47.4	33.3	12.8	2.6	3.8

The results of the survey were analyzed by the committee for feedback mechanism and appropriate actions were suggested. The principal ensures the implementation of the corrective measures.

Minutes of the Committee meeting and Action Taken Repots

Committee Members

1. Dr Seemon Thomas (Principal)
2. Rev. Dr Manoj Joseph (Bursar)
3. Mr. Prathish Abraham (IQAC Coordinator)
4. Mr. Nelson Kuriakose (Member, IQAC)
5. Mr. Abyson Kurian (Teacher Representative)

The Curriculum Feedback committee evaluated the feedbacks from various stakeholders and noted the following points

- Majority of students totally agree that the quality of courses as per curriculum and had a good response of availability of books and infrastructure support for learning
- The feedback suggests that there should be more efforts in improving soft skills through curriculum
- The use of ICT in delivery of curriculum need to be enhanced.
- Students are satisfied with curriculum quality and effectiveness of teaching.
- A good response is obtained for examination related activities also.
- Curriculum related activities should be conducted more as the feedback suggests that the present number is not up to the expectation of students.
- The students rated the academic atmosphere of the campus on the top grade.
- Majority of alumni totally agree that the ability of curriculum to support higher learning, but their response shows that the curriculum had to more on developing entrepreneurial skills and had more contents that is relevant to job market. The college needs to ensure more career related activities along with curricular delivery.

Action Taken Report on Curriculum Feedback suggestions

Based on the findings from the feedback survey and decisions of the analysis meeting the following steps are implemented in the college.

- More smart rooms, ICT enabled Class rooms were constructed and teachers are instructed to use them to the maximum extent.
- Awareness on online courses was made to the students through departments and encourages students to enroll in such courses.
- The Principal and members of various Boards of studies and University bodies took initiative for reporting the matters related to improvement in curriculum content with topic related to career orientation and entrepreneurship. The syllabus should match with the requirements of job market.
- All clubs and subject associations are directed organize and arrange events helpful for enrichment of curriculum.
- The Innovation and Entrepreneurship Development Cell was made more active and departments are also advised to promote entrepreneurship among student community.
- Departments are entrusted to start more Certificate Programmes.
